ABOUT CARL NIELSEN TRIO

Carl Nielsen in New Clothes.

It is the love of the treasured songs of Carl Nielsen that started the Carl Nielsen trio.

The three musicians in Carl Nielsen Trio are all active participants in the professional music life of Copenhagen, and backed by a generous funding by the Carl Nielsen foundation, they were able to ask seven Danish contemporary composers to arrange the songs chosen for this CD for the Carl Nielsen Trio.

The composers are Jens Hørsving, Fuzzy, Jørgen Lauritsen, Peter Bruun, Jesper Koch, Niels Rosing-Schow and Erik Bach – and it is in the new clothes of these seven composers that Carl Nielsen Trio performs Carl Nielsen's beloved songs.
